RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action dated 10 June 2005, Applicant, through his attorney, elects claims 1-7, which read on Figure 3, with traverse. Applicant traverses the restriction because the restriction requirement has not established that examination of all pending claims would impose an undue or serious burden. Applicant further submits that an additional search would not be necessary to examine all pending claims. Because an additional search would not be necessary and because examination of all pending claims would not impose an undue burden, Applicant respectfully requests reconsideration and withdrawal of the restriction requirement.

The present amendment comprises the following sections:

A. Amendments to the Claims

B. Remarks

Please grant any extension of time necessary for entry; charge any fee due to Deposit Account No. 16-0631.
